Thirty Candidates Participate in Workout --- New Candidates Developing-

MANNINGTON, Sept. 22. - The longest scrimmage of the present a bird show. football season was held last eve ning at Blackshore Park with thirty candidates participating in the

Passing, kicking, falling on ball, charging, and blocking took up the first hour of the practice, and scrim mage the second hour. Coach Blake spent considerable time between most of the plays showing the errors and correcting faults. Many of he candidates are first year men, and are consequently not very weil acquainted with the game.

On the first team Ryan, Gump. Prichard, Magee, and Garner showed to the best advantage in advancing the ball, while C. Rymer and G. Rymer showed the best form

On the second eleven G. Bealt Barker, Huey, Flanigan, and Mercer showed the most fight, and unless improyement is shown by some of the members of the so-called first string it would not be at all surprising to see more than one of these men displace some of the more experienced men more experienced men.

G. Beall has been outless than a week, and he looks like a comer. He has the weight, speed, and fight that goes to make a football player,
